

CORPORATE SOCIAL RESPONSIBILITY

Giving back to society through Corporate Social Responsibility (“CSR”) initiatives is a critical and underlying core value of Wah Seong Corporation Berhad. We believe that contributing to our communities and the underprivileged is as important a priority as meeting our business targets. Yayasan Wah Seong (“YWS”) which was established in 2004 to facilitate some of our CSR initiatives, organized various activities in 2009.

Yayasan Wah Seong Scholarship Awards

This is the second year Yayasan Wah Seong (YWS) has offered scholarships to financially needy students with excellent academic results. For the academic year 2009/2010 which commenced in July 2009, 255 students and undergraduates applied for the YWS scholarship where 16 of them were selected and offered the YWS scholarship. All the selected candidates had scored 3As and above (maximum 4As) in their STPM/Matriculation exams. In total, 36 scholarships have been given out in the past 2 years.

Annual Blood Drive

Blood donation has always been a cause that’s close to our heart. It is a relatively simple and harmless effort that could potentially save someone’s life. As a Group, we are always looking at the little things that can impact a person’s life profoundly. With that in mind, on December 15th, 2009, the Group organized a blood donation campaign at the National Blood Center, located at Jalan Tun Razak, Kuala Lumpur. The employees took some time out for this noble cause.

GSI Christmas Charity

GSI Singapore held their Christmas celebration on a cruise to Kusu Island, 2.5 hours off Singapore. Children from ‘The Children’s Aid Society’ were invited and brought along on this trip as a treat. Activities and games were organized over the duration of the trip. GSIS staff also pooled together cash to purchase Christmas presents for the children.
