

CORPORATE PROFILE

A Rising Global Energy Service Provider

Founded in 1994, Wah Seong Corporation Berhad has successfully harnessed its reservoir of knowledge and diversified oil and gas services to serve accelerating energy demands. The Group has since grown from being a mid-sized Malaysian enterprise to become a globally integrated energy infrastructure group.

Listed on the Main Market of Bursa Malaysia Securities Berhad, Wah Seong Corporation Berhad has - via its vast product and service offerings - sealed its footprint in more than 13 countries worldwide. The Group aspires to strengthen its foothold in these territories and expand even further across the world.
