

CORPORATE SOCIAL RESPONSIBILITY

At Wasco Energy, Corporate Social Responsibility (“CSR”) is about our commitment to contribute to sustainable social and economic development while improving the livelihood of our community and society at large. Our CSR initiatives reflect our corporate values, one of which, “We are a caring and responsible organisation”. Here are some of the CSR initiatives that took place in 2010.

YAYASAN WAH SEONG SCHOLARSHIP AWARDS

This is the third consecutive year Yayasan Wah Seong (“YWS”) has offered scholarships to financially needy students with excellent academic results. For the academic year 2010/2011, which commenced in July 2010, eight (8) promising students were selected and offered the YWS scholarship. Selection is based on outstanding academic results as well as financial capabilities. All selected candidates had scored 3As and above (maximum 4As) in their STPM/Matriculation exams. In total, 44 scholarships have been given out in the past three (3) years.

FEEDING THE HOMELESS

Recognising Kechara Soup Kitchen’s (“KSK”) contribution towards society, Wasco’s Pipe Coating Division donated RM18,400 towards KSK’s cause. Some of our colleagues and their families participated in the volunteer programme for the whole month of October. They helped to pack and distribute food to the homeless around Kuala Lumpur. It was indeed a humbling experience.
